DON'T LEAVE YOUR WINDOWS
OPEN TO CYBERCRIMINALS

WINDOWS 7 RETIRES

What's Happening?

- Microsoft ends support for Windows 7 & Server 2008 on Jan 14th 2020
- There will be no further patches or security updates
- Your systems will be at risk

Why Is It Important For My Business?

- These unsecured systems can lead to data breaches, liability, privacy issues and more
- This is a red carpet invitation to cybercriminals
- Cybercriminals find the systems that are no longer supported and exploit them
